

MAGINA'S

RESTAURANTE SNACK-BAR

WELCOME

It is a privilege to receive you in our house.

Magina's is a family project inspired by the essence of traditional portuguese and portuguese snack cuisine.

We let our interpretation of meals flow with personality and we create healthy and delicious meals, in an elegant space full of history. we do not reveal the secrets of our kitchen, but we can reveal the secret of our success...Pure homemade and comfort food.

To that, add a smile from who will serve you and passion and wisdom of whose prepared. It's all about good food, among family. We call this, the formula to "magi"!
